What to bring to camp: sleeping bag or twin size bedding, pillow, pajamas, toiletries, bath towel, clothes for expected weather, clothes for messy games, tennis shoes, flashlight, insect repellent, sun screen, modest swim suit & towel, rain gear, camp store money, & your bible. **Please do not bring:** skimpy clothes, gum, cell phones, drugs, tobacco, or weapons. We also ask that you don't bring a poor attitude, disrespect of others, uncooperative spirit, or an Oscar the grouch syndrome. **Fishing camp-**Don't forget your pole & gear. Campers 16 & up will need to purchase an Iowa fishing license before the start of camp. **Horse camp-**Bring long pants & closed toe shoes for riding. **Paintball-**Bring long pants for woods ball. You may bring your own paintball gear. All your gear must be turned in at registration.

* Check out our **FAQ & Tips** at www.daytonoaks.org for more info.

** Camper email link is daytonoakscamp@gmail.com- please do not call the camp expecting to speak with your camper. We have found that contacting your camper causes homesickness to worsen & makes for a poor camp experience for your child.

*** All meds & food allergies must be listed on the registration form. Any diet choices that are not an allergy or dr prescribed must be talked over with our Kitchen Manager before registering your child for camp.

**** If your child has an aide at school or any behavior concerns, you must contact our Program Director before registering them for camp. We want to be sure your camper has what they need, so they can have the best camp experience while they are here.
